Section 2 of 5 (continued)

It is true that people of any gender can commit assault and/or be assaulted, but these particular statements are meant to reflect specific beliefs about gender that some people hold.

Please indicate the extent to which you agree with the following statements.

	Strongly disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
If a girl initiates kissing or hooking up, she should not be surprised if a guy assumes she wants to have sex.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
A girl can only claim rape if she says "no."	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Girls who say they were raped often led the guy on, then had regrets.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When guys rape, it is often because of their strong desire for sex.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If both people are drunk, it can't be rape.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If a guy is drunk, he might rape someone unintentionally.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It is not necessary to discuss consent before sexual activity if you are in a relationship with the other person.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Section 4 of 5

The next set of questions refers to different sexual situations you or others may have experienced.

Please think of all the time you have been a part of the Williams community, even if you weren't on campus full-time, e.g. studying away, traveling elsewhere for an athletic contest or a performance, etc. Again, this survey is completely confidential and voluntary. Your response will not be part of any academic, medical, or disciplinary record.

Some of the questions in this section use specific language, including anatomical names of body parts and specific behaviors to ask about sexual situations. This survey also asks about sexual assault and other forms of violence which may be upsetting. Resources for support are listed on every page and at the end of the survey, if you need them.
