Dear Ms. Kurker,

I am attaching the documents you requested at today's meeting to this email.

My attorney wanted me to include the two documents sent to me from Toya Camacho. She wanted me to let you know that the documents contain procedures governing the role of the advisor at these proceedings, including "appropriate consultation includes, but is not limited to" sharing notes; taking a brief break to consult....".

My attorney also thought that you would want to have the documents that were presented to the appeal hearing committee. One is a copy of my statement to the committee. The other is a copy of the statement my sister, Lady, read to the committee. We both handed in to the committee hard copies of the documents I am forwarding.

The three witnesses discussed during our meeting were my sister (Lady *Doe*), Katherine Nunez, and Jacqueline Lane.

Lastly, just so you are aware for scheduling the follow up meeting purposes, I will be out of town from May 24th to the 31st.

Best regards,

John Doe
